Schedule No. 6
CONTRACT RESALE SERVICE
(Continued)

SPECIAL CONDITIONS

1. Resale water service is provided under this tariff only if deemed available, in the sole judgment of the Company. The Company may interrupt service from time to time to protect continuous service to its own retail customers.
2. The Company is not providing fire protection supply as it does for its own retail customers.
3. The retailer receiving service under this tariff shall defend and hold the Company harmless from any failure of service or any other claim of damage or injury once the water passes through the Company's meter into the sole possession of the retailer.
4. All bills within the City of San Jose are subject to a 2% Franchise Fee imposed by the City of San Jose on all customers within the City limits.
5. All bills are subject to the reimbursement fee set forth in Schedule No. UF.
6. All bills are subject to a surcharge of \$0.092 for groundwater charges (pump taxes) imposed by the Santa Clara Valley Water District (SCVWD) effective July 1, 2007. (C)
(D)
7. All bills are subject to a second surcharge of \$.103 for increased groundwater charges (pump taxes) imposed by the Santa Clara Valley Water District (SCVWD), effective July 1, 2008, resulting in an effective quantity rate of \$1.574 for all water delivered, per 100 Cu. Ft. (I)
